For <i>James Dunn</i> , Esq;	- - - -	256	For Sir <i>Charles Burton</i> , Bart.	- - - -	228
For Doctor <i>Lucas</i> ,	- - - -	231	For Alderman <i>Hunt</i> ,	- - - -	185
For Mr. Recorder,	- - - -	318	For <i>James D. Latouche</i> , Esq;	- - - -	26

We take this Method of returning our most grateful Acknowledgments to the free Electors who have already honoured us with their Appearance and Votes; and we beg for a further Continuance of their Favour.

We hope the Friends of Liberty will, during the Election, take the same Care which hitherto has so eminently appeared, in preserving the public Peace, Harmony, and Regularity in taking the Poll.

We have the Pleasure of observing, that frivolous Objections, some Time made to the Voters of one of the Candidates, now seem to cease. We likewise have the Pleasure of informing the Public, that we, at length, have obtained the wished-for Accommodation for our friends, by having the Lord Mayor's Room given up for their Convenience during the Poll.

Such Freeholders, Freemen of the Guild of Merchants, Freemen of the Corporation of Taylors, as have not yet polled, together with such of the Corporations of Smiths, Barbers and Chirurgeons, and Bakers, as intend honouring us with their Voices, are requested to attend at the Tholsel To-morrow Morning, at Nine o'Clock.

JAMES DUNN. C. LUCAS.
